

Multi award-winning Business Granted Success

Company Name Hall-Fast Industrial Supplies Ltd.
Contact Name Malcolm Hall
Website www.hall-fast.com

Multi award-winning Hall-Fast benefited from the free commercial property search facility offered by Invest Ashfield & Mansfield. Not only did the company find business premises best suited to aid their expansion but through successful account management the team also helped to ensure smooth project progress and helped Hall-Fast find some funding too!

Hall-Fast Industrial Supplies Ltd, a fast-growing and multi award-winning local company, has relocated to Mansfield in order to support their business growth. The company, which sells industrial supplies to customers throughout the UK and into 76 countries, relocated from nearby Boughton back in 2012. With an impressive product range of over 45 million stocked items, representing 100,000+ standard product lines, space was at a premium and the company found it needed to expand.

Back in January 2012, Malcolm Hall from Hall-Fast contacted our team to help him locate suitable local, industrial properties. Through this service, which helps local businesses search for new premises on a totally free and confidential basis, the best property solution was secured.

Development Fund 2007-13

As well as finding the company a new base, our service also provided Hall-Fast with contacts and information on other support available. Thanks to this, the company's relocation was able to progress, benefiting from financial support of over £40K.

Malcolm Hall, Managing Director at Hall-Fast, commented on the service he received: "The team's assistance has been tremendous, not only did they help us find suitable premises in the Mansfield area, they also made us aware of the Regional Growth Fund. By relocating our business to Mansfield we hope and expect our business to expand further within the local area."
